STEP CLOSER TO SAFER ROADS?

Green Party County Councillor Matthew Jenkins (St Stephen Division) has been successful in getting the county council to review the process for how new 20 mph speed limits are introduced.

The review is not expected to start until after the county council elections currently scheduled for 6th May.

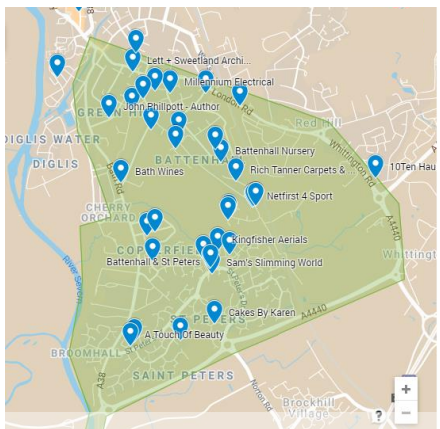

Tom Piotrowski said, "Green Party policy is to make residential side roads safer for children, pedestrians and cyclists by having 20 mph speed limits where people live. If I am elected to the council in May I will add pressure to introduce a system where we **let local residents decide** for themselves if they want a 20mph speed limit on their side roads. We would do this with hyper-local residents' ballots. "

COUNTRY PARK TO BE CREATED

Middle Battenhall Farm Land Action Group have devised a plan that would create a new high quality country park for Battenhall with the cost being met from the building of approximately 500 new homes to be built next to the Crookbarrow Way dual carriageway (shaded in blue on the map).

Cllr Louis Stephen said, "This scheme has been created between the land owners and local residents. As always the devil is in the detail. The proposals have a great deal of potential but we need to make sure that the final scheme really does deliver a high quality country park and that **the effect of the new housing on local residents MUST be minimised.**"

Please let Louis know what you think by emailing him at LouisJosephStephen@gmail.com

HERE 2 HELP

Tom Piotrowski: "Clinically vulnerable, mental health issues, looking for business support? Please remember that the Here 2 Help scheme is still there for you when you need it.

Pre-lockdown: Tom delivering a leaflet about Here2Help

To access the Here2Help website please visit: www.worcestershire.gov.uk/here2help
Or if you don't have internet access you can call: 01905 768 053 (office hours)
