ENOUGH IS ENOUGH!

The Covid-19 pandemic has made us all much more aware how much we value and care about the NHS. Even before the pandemic our hospital was under severe pressure with bed occupancy rates often around 95%.

Tom said, "The hospital is creaking at the seams, investment has not kept pace with increasing demand and yet there is pressure to build even more homes in unsustainable locations. Enough is enough."

THANK YOU FOR SUPPORTING OUR 20 IS PLENTY CAMPAIGN

After a long campaign and pressure from the Green Party, our County Council will be soon reviewing how new 20MPH zones will be implemented. Increasing the safety of children and other pedestrians is our top priority.

Tom said, "I think **vulnerable members** of our community deserve to feel safe on our streets which suffer from **too much traffic**. A vote for me in May will give me a clear mandate to demand a new 20MPH zone for **the most at-risk residential side roads in Battenhall.**"

LOUIS & TOM'S TOP PRIORITIES

- ✓ Protecting our green spaces from inappropriate building.
- ✓ Clamping down on antisocial behaviour like dog mess and dangerous car parking.
- ✓ Putting Battenhall residents first with all decisions taken at both the city and county councils.

CLEAN CAMPAIGN PLEDGE

There are local elections in Battenhall on Thursday 6th May. Be aware that sometimes other political parties stoop to underhand tactics to try and win.

Louis said, "It can be unsettling watching politicians trading blows – I promise I will not engage with that type of campaigning, just concentrating on what I have achieved and what we can achieve for the future. If you see overtly negative campaigning – please call it out."

CLEAN CAMPAIGNING

YOUR SAY

Chris & Tom, Sebright Avenue: "Unlike others that you only see at election time, Louis and Tom are visible and active all year round. They will get our votes."

Ann & Graham, Battenhall Road: "There are lots to learn when you become a councillor, Louis now has all that expertise and experience. I will vote for him for another term of office."
